About Our *Food Resources Guide*

Welcome to PEI Food Share's *Food Resources Guide*. Heather Coles (our representative in Cornwall) has compiled detailed information about food resources across the province. This information is believed to be accurate at the time of publication. If you know of any changes or any new resources to add, please get in touch.

Food Banks, Caring Cupboards and Soup Kitchens

Food banks and caring cupboards are a place where stocks of food, typically basic provisions and non-perishable items, are supplied free of charge to people in need. Soup kitchens are a place where free food is served to those in need of a meal and a place to eat.

Please note that all food banks and caring cupboards are connected. You are eligible to visit one food bank or caring cupboard in your local area every 30 days. You can visit soup kitchens as often as you need.

Suspended Coffee and Pizza PEI

A "suspended" coffee is a cup of coffee paid for in advance by another customer as an anonymous act of charity. The tradition began in the working-class cafés of Naples, where someone who had experienced good luck would order a *sospeso* (suspended coffee), paying the price of two coffees instead of one. Food and beverage operators offer suspended items on a first come, first served, no questions asked basis. There's no catch, just kindness!

If you could use a slice of pizza, cup of coffee (or tea!) or even some soup, someone else has already got you covered. Check out the Suspended Coffee & Pizza PEI Facebook page for more information and to keep up-to-date on newly added locations across the province.
