

File 2024-017: Security Patrol for City Parks and Victoria Park

Addendum #1

Issued – March 18, 2024

Question 1

When a guard observes an incident, would you like them to call the police or get hands on?

Answer 1

For bylaw infractions that they are sworn in as bylaw enforcement officers we would expect they would get involved but do so in as safe as manner as possible. Something more serious they should call the police right away.

Question 2

When we provide an example incident report, would you like a template or a filled document with sensitive information redacted?

Answer 2

I would like to see the template filled in completely and reports submitted daily to the park's office.

Question 3

Would you like us to issue tickets for bylaw enforcement?

Answer 3

We are sensitive to some infractions and always would prefer to start with a warning (for example, dogs off leash) there may be some instances where a ticket is warranted.

Question 4

What is the expectation of how many checks per night mobile guard is required to do in regard to the 80+ areas, and is there a priority list of parks and recreational areas?

Answer 4

Yes, we would provide a priority list of parks which will change depending on what is occurring this summer.
