- 6.3 A separate monthly statement shall be made for each place of business for which a registration certificate has been issued by the City, unless the City approves in advance that an Operator may make a consolidated monthly statement.

- 8.1 Where an Operator sells accommodation in combination with meals and other specialized services for an all-inclusive package price, the purchase price of the accommodations shall be deemed to be the purchase price of the accommodations when such accommodations are offered for sale in the same tourism establishment without such specialized services.

9. Refund of Levy

- 9.1 The City may refund to an Operator who sells accommodations, all or a portion of a levy remitted by the Operator to the City, if the City determines that the Operator collected a levy on the sale of accommodation in error and the Operator provides proof to the City that the amount collected in error has been refunded to the purchaser of the accommodation.
- 9.2 With the permission of the City, an Operator may deduct the amount of the refund payable to the Operator under subsection 9.1 from the amount of levy that the Operator is required to remit under this Bylaw.
